State/Nation/World/Missions

- **From Mennonite Disaster Service:** This week we rejoice with the community of La Grange, Texas where new homes will be constructed for Hurricane Harvey survivors in an area called Hope Hill. We pray for those organizing the work and for enough volunteers to bring people home. We ask God for hearts to be moved and hammers to ring. We also pray for those suffering because of the volcanos in Hawaii and Guatemala. MDS is monitoring the situation in Hawaii. To learn about Guatemala go to <https://mcc.org/stories/>

Missional Network Trainings to Begin

Jamie is going to the first training meeting on June 24 in Canton, First Mennonite Church, 6:00 - 9:00 pm. He hopes for a number of us to join him in this work. Ohio Conference is beginning a multi-year project to work together with conference churches to learn to be living as missionaries in our own communities. There is a lot of information on this project in the Ohio Conference handout that is in your mailbox today, and if you read the May/June issue of the Ohio Conference EVANGEL, there is an article about the long-term plans. The EVANGEL is available online at the Ohio Conference website, or in your email from MMC a couple of weeks ago.
