### Fabric Masks Needed for Local Hospitals

Pomerene Hospital is potentially facing not having enough supplies to protect themselves as they care for patients who may have COVID-19 and other illnesses. Fabric facemasks may help fill this void. Although these fabric facemasks do not filter germs to the level of manufactured healthcare masks, they still serve as a barrier. On behalf of our entire staff at Pomerene, we cannot thank you enough for your willingness to assist us during this trying time.

Sharing from Phil and Linda Yoder - because I missed it when sending out the Congregational Sharing document!

Phil and I have enjoyed the sunny weather. We have begun some outdoor clean up projects. We continue to check on Phil's mother, and go back and forth with my mother. It is a wonderful time to be neighbors. This week was the scheduled "spring break" for school in East Holmes Next week I will prepare "packets" to be sent to my students. Blessings to all our church family.
