Our Church

- Let's remember our church family as we journey forward.
- Maya Hershberger asked for the church to pray for her. She had an appointment May 12 for exploratory testing and biopsy.
- LaVina Weaver asks for prayer as she seeks wisdom pertaining to making decisions regarding her health. Their address if you would like to send her a card or letter: Wayne & LaVina Weaver, 7247 Cowpatch Dr. , Mt. Crawford, VA 22841
- Pray for Toby Hazlett. He is having back pain.
- There is a substantial outbreak of coronavirus among the Latino community, with onset at worksites and continuing into the community. Please hold our immigrant neighbors in your prayers, and also those of us who work closely with them in medical settings.
- All our local healthcare workers need our support and prayers.
- Health: Tim Roth, Dennis Gerber
- Visitation: Bernice Miller, Esther Yoder, Caroll Roth, Larry & Jean Sheets, Paul Thomas

MCC has several upcoming opportunities for webinars:

Tuesday, May 19 at 2 p.m. EST: "Asylum" free immigration webinar. In the continuing six-part webinar series on immigration and border realities, MCC staff and partners from around the country will provide current information and educational tools to understand asylum. In recent years thousands of people have fled persecution and arrived to the U.S. to apply for asylum. Asylum seekers must navigate a difficult and complex process that can involve multiple government agencies. More information and registration, along with recordings of past webinars, at mcc.org/immigration-webinar-series

Wednesday, May 20 at noon EST: "From hearts to hands: Material Resources" free Facebook live webinar. Featuring stories from MCC staff around the world about how resources like comforters, kits and canned meat make a difference. Join us on MCC's Facebook page (facebook.com/MCCpeace) for a livestream where we'll hear directly from MCC workers in Ukraine, Jordan and Canada.

"To us, experiencing climate change is beyond record-breaking heat, another drought, a dying polar bear, a wilting garden. It is growing up while watching the future burn." Take a moment and view climate change through the eyes of a young person in Lyn Hur's blog, "Grieving for the world's future" at <http://mennoniteusa.org/grieving-worlds-future>

Now more than ever the planning team for the Women Doing Theology conference senses the need for gatherings of solidarity, nurture, and connection.

Cautiously, and recognizing flexibility and creativity are required as we face the common threat of Coronavirus, we plan to offer this year's conference as planned. We invite you to save the dates of November 5-7, 2020.
