Our Church

- Remember the family of Kayla Malachin's friend whose brother was shot.
- Maya Hershberger asked for the church to pray for her as she waits for test results
- LaVina Weaver's cancer treatment has gone really well!

MCC Immigration Webinar June 2

MCC is offering a free webinar on Tuesday, June 2 at 2 p.m. EST: "Church efforts to address immigration." Before and during the COVID-19 pandemic, churches across the U.S. have been providing safe shelter and filling needs of immigrants and asylum seekers, while also advocating for immigration policies and protocols to change. In the continuing six-part webinar series on immigration and border realities, MCC staff and partners from around the country will provide current information on what is happening and how you can get involved. More information and registration, along with recordings of past webinars, at mcc.org/immigration-webinar-series.

Although this event might look different this year, we still want to provide school supplies to our community. We are beginning the process of collecting funds and school supplies as we think of new ways to distribute them. Millersburg Mennonite Plans for the Summer

Church council met Wednesday evening virtually to discuss the next phase of MMC; July through September. A different model will be used whereby the many gifted people in our congregation will be invited to share on Sunday mornings virtually or in the church setting. A pastor(s) will be available for funerals and other necessities on a part time basis. Planning for this model is in its infancy stage but will be shared later with everyone.

For Our Streaming Worship Services -

We invite people to create a short video – Please upload them to a cloud file sharing service (e.g. iCloud, Google Drive, Dropbox, OneDrive, etc) and email a shareable link to the file to worship@millersburgmennonite.org, no later than Saturday noon. If you have technical questions, please contact Conrad Yoder.
