

Join MCC Great Lakes for a *virtual* Pipeline to Prison learning tour

Explore the complex dynamics of the U.S. criminal justice system from different perspectives and learn about practical opportunities for engagement and advocacy efforts in your local context. Through five online sessions, participants will explore the connections between broad systemic issues of racism and incarceration down through the local level, all through the lens of Anabaptist faith.

This free virtual learning tour will take place each Monday in August from 2-3:30 p.m. (EST). Registration is limited to 25 participants. The goal is for all participants to commit to attending each virtual session to get the full learning experience. Meeting Our Pastoral Needs

The elders want to remind everyone that during this time without a pastor, we will be calling on Patrick and Christine Nafziger for needs that may arise, such as crisis situations, weddings, funerals, and such occasions. In the event that they are not available, Ernie Hershberger will fill in. All three of them have served as pastors here in the past. We're attaching a brief bio and picture of the Nafzigers.

Patrick & Christine pastored at Millersburg Mennonite from 2007-2015. Patrick then worked as a social worker for the Counseling Center of Wayne & Holmes Counties and most recently at Scenic Pointe Nursing Home in Millersburg. Christine has been a stay-at-home mom since then, caring for their two children, Aidan (5 years old) and Kaitlyn (4 years old). She also leads group spiritual direction for SpringHaven Counseling Center in Mt. Eaton. Starting in August, they will be the interim pastors for Summit Mennonite Church in Akron. They will continue to live in Millersburg, and look forward to still connecting with Millersburg Mennonite from time to time.

Everence to celebrate 75th anniversary virtually

Videocast scheduled for 3 p.m. (EDT) on Sunday, July 19

GOSHEN, Indiana – Everence® is not letting social distancing deter plans to commemorate the organization's 75th anniversary.

Instead of an in-person gathering, the faith-based financial services company will celebrate virtually, with a videocast scheduled for Sunday, July 19, 2020, at 3 p.m. (EDT).

"It's not how we originally envisioned kicking off our year-long anniversary observance," said Ken Hochstetler, Everence President and CEO. "But this virtual alternative now enables us to include even more of our members, partners and friends in recognizing this meaningful organizational milestone and all those who have driven our stewardship mission over the years."

The July 19 videocast will feature comments from **John D. Roth**, Ph.D., Goshen College Professor of History and author of the new Herald Press book, *Where the People Go: Community, Generosity, and the Story of Everence*. Roth is originally from Killbuck, OH and graduated from Central Christian School in Kidron. Music will be provided by the Walking Roots Band, a Harrisonburg, Virginia-based acoustic folk and roots music group.
